Lent

We begin the Season of Lent, each year, with these words:

“We are created to experience joy in communion with God, to love one another, and to live in harmony with the creation. But our sinful rebellion separates us from God, our neighbors, and creation, so that we do not enjoy the life our Creator intended.”

God has blessed us in so many ways! God created the world that we share and continues to give us our daily bread (the things that we need) each day. God became incarnate and came into our world in the life and ministry of Jesus. God destroyed the power of sin and

death as Jesus was crucified and was raised from the dead. And today, because of Jesus, we can live our lives in peace with God and in peace with each other.

The power of sin always separates us from God, our neighbors, and the Creation. Think about Adam and Eve hiding from God in the Garden of Eden because they knew that they had done something horribly wrong. Think about times in your own life when you've seen relationships become strained or fall apart because we all have times when we become stubborn, when we refuse to forgive others, and when we only see the worst parts in other people's lives. Did you know that the last remaining old-growth forest in Pennsylvania, Cook Forest State Park, exists because trees that had sprouted after a drought and fire in 1644 stood on the property of a lumber tycoon who refused to allow the trees on his own property to be cut when lumber companies harvested all the other standing timber in Pennsylvania?

Our journey with Christ can become parched and dry when we drift away from the daily disciplines of Bible reading and prayer. Many of us have seen significant relationships in our lives change during the pandemic because we're all stressed and a bit tired and edgy; and because we're living in a time when people aren't treating each other very nicely and when people are not speaking to others in helpful ways. We are currently living in what many scientists call the Sixth Mass Extinction because the current extinction rate of birds and animals is comparable to the Permian-Triassic's "Great Dying" (which occurred about 250 million years ago) when 90% of the earth's species became extinct.

Lent is a time to stop, to reflect and to hit the reset button.

How would your journey with Christ change if you set aside some time each day to read your Bible and to pray, or if you just made a commitment to spend 20 minutes each week watching one of the “Streams in the Desert” videos that we are going to be sharing with you in the coming weeks? What would happen if, during the Season of Lent, you decided to forgive someone, as you have been forgiven, and if you decided that the relationship you once shared with someone is more important than your desire to continue believing that you were right and that you were wronged? How could you express your appreciation for the beautiful planet God has given to us by throwing away less food, by recycling more of the things that you throw in the garbage, by turning the thermostat in your home down a couple of degrees, or by turning off the lights when you leave a room?

I would like to encourage you to live more intentionally during the Season of Lent this year and to embrace change in at least one part of your life. Lent can be a Season of Renewal. Lent can be a time when we embrace change in our relationships with God, with other people and even with our planet. May our crucified and risen Lord journey with us and may the light of Christ, rising in glory, dispel the darkness of our hearts and minds.

CHRIST'S LITTLE PANTRY

Are you, or someone you know, experiencing food insecurity? Our church now has "Christ's Little Pantry" in the lower parking lot. If you need food, "Take what you need." If you have extra food

to share, "Leave what you can." Please share our story, so no one goes hungry.

HEIFER PROJECT

Heifer International is a global nonprofit dedicated to ending hunger and poverty. Through gifts of livestock and education Heifer ensures that families have the resources and opportunity needed to not just survive but thrive. The Outreach Committee is asking for your support for this life changing organization. Donations can be made to Christ's Lutheran Church throughout Lent. Please designate "Heifer project" in the memo. Read more at Heifer.org for information & inspirational stories of those whose lives were transformed, after receiving gifts from Heifer. Thank you so much for your support!

We kindly ask that you continue to pray for our CLC members, family, and friends of members who are included in our weekly bulletin prayer list. Thank you.

2021 Drainage Pipe Project Report

1. Endowment Fund - \$5,519.83
2. Drainage Pipe (41 families) - \$17,985.90
3. Parking Spot (2 families) - \$1,050.00

Members of our Council (6 people) gave \$1,710.00 in a campaign kick-off.

- One family adopted 2 ½ spots - \$2,500.00
- One family adopted 1 ½ spots - \$1,500.00
- Three families adopted 1 spot - \$1,000.00
- Five families adopted ½ spot - \$ 500.00
- 31 families adopted less than 1/2 spot.

We are dropping the term “Adopt a Spot” but continuing the term “Capital Campaign” for the drainage pipe repair and to pay off the mortgage. As of 12/31/21, we owe \$43,883.00 for pipe repair and \$88,521.96 for mortgage payoff.

We will be sending Thank You to the donors and a colorful “spot” symbolizing that they have a “virtual” parking space forever and can pick any empty space when they come to church. As a bonus, anyone who comes “online” has a free spot wherever they join from, so we hope it’s comfortable.

Please continue to donate extra money to the Capital Campaign, after your “Current” donation, and mark it for “Debt Reduction” or “Pipeline Project.” (Giving to “Debt Reduction” will lower the principal & shorten the length of the mortgage loan). We have all been very generous to our church in many ways and for many years. We Are Blessed!

Easter Lilies:

We are currently taking orders for lilies for use during our Easter Services. As we are sure you know, supply chain issues are a continuing challenge in our country. We have to have our tentative order in by March 20th.

If you would like to donate a lily, please fill out the form below and return it to the church office.

We want to remind you we have prayer shawls available for anyone who could use an expression of care in the form of a warm shawl. These shawls can be used by you personally or given to anyone you know who is going through a hard time, illness, grief or perhaps celebrating a newborn, milestone, or for any other reason you feel appropriate. Think of these shawls as a warm hug that lets someone know they're thought of and cared for.

Here's how it works:

Find the Prayer Shawl poster in the church narthex. The shawls will be displayed on a rack below it with explanatory gift cards and gift bags nearby. There will also be a pen and notebook attached to the rack with a ribbon.

1. Select the shawl you would like and place it and a gift card in a gift bag.
2. In the notebook, please indicate the date, who the shawl is for (just a first name is fine, if so desired) and their relationship to you.
3. If you would like the person added to our church's prayers, please let Breana know, along with any other information you would like to provide.

That's all there is to it! We hope these shawls will be a blessing to all recipients. If you would like more information about the Prayer Shawl ministry, would like to contribute to it (either completed prayer shawls or gift cards to Michaels or JoAnn Fabrics for yarn purchases), please contact SandyBuehner: at sandybuehner@gmail.com.

Thank you,
The Prayer Shawl Committee

Support Team Updates:

During our Livestream, you may have noticed that the camera faces the right side of the congregation during Communion. We want to remind you that if you are uncomfortable being on camera, please feel free to take Communion on the left side.

The Tech Team Needs You! We are asking for volunteers to join the Tech Team! Our greatest need right now is for camera operators for the live stream. Rest assured, this is an easy task and we will train you on how to properly work the camera. We are also looking for anyone with skills related to networking, social media, web design, and general computer skills or knowledge. Any amount of time you can volunteer is welcome.

The Support Team is looking for Volunteers! What does the Support team do? Basically, anything related to the general operations of the Church would be considered "Support." Whether it's the property committee (pulling weeds, checking the lights in parking lot etc). or the Endowment Fund Committee or Memorial Committee, or Tech Team, we can use your help! There is no task too great or too small. All are welcome!

Our Church Council needs you. Currently, we have 8 members on the council. We cannot run our Council meetings with any less than 8. Please consider helping.

If you would like to Volunteer your time, please contact Joe Kelly joekelly567@gmail.com 412-999-6060, or Linda Paulovich lindajeantpaul@aol.com 412-525-5619.

All of our Teams are looking for Volunteers as well! If your skills are more in Congregational Life, or Outreach, please let us know!

Have you been getting all of our emails?
