Thrivent Choice Dollars

By directing Thrivent Choice Dollars through the Thrivent Choice program, eligible Thrivent members recommend where Thrivent Financial distributes some of its charitable outreach grant dollars among thousands of participating nonprofit organizations and congregations. Christ's Lutheran Church is an eligible recipient.

At a prior year Synod Financial Workshop, Thrivent noted that typically only about one-third of eligible Thrivent members designate allocations for their Thrivent Choice dollars. Allocations, which can be made by internet or phone, are required annually or the allocations will expire unused.

Time to clean up!

The Kindergarten / Nursery room is becoming too full of toys and equipment. I will be having conversations with people who use that room on a regular basis to determine what things should stay and trying to find a good home for the rest.

If you would like to be part of those conversations, please let me know. That includes anyone who may have donated items in the past and would rather take them back than have them turn up at the church flea market! You can email me at cclott@gmail.com or call my cell at 724-339-2414 or see me in church. Please get in touch by February 28th.

Thank you, Cindy Lott
