### Independence Day

We will be joining in a celebration of independence and freedom this month. America's Founders dreamed of a nation where people would have a voice in their government, and they created a Democratic Republic where government officials are elected by the people and serve for a specific term. Many folks try to trace the roots of American freedom all the way back to the day when King John "Lackland" signed the Magna Charta in 1215 AD, but the comparison between the Magna Charta and our own Declaration of Independence is a bit of a stretch. America was founded upon representative government and the fact that all people are created equal. The earliest dreams for American life were built upon the idea that we all have the right to life, to liberty and to the pursuit of happiness.

The Bible speaks about freedom, independence, and liberty in several places. Jesus tells us that the truth will set us free (**John**

**8:32**). Jesus also says, “*So if the Son sets you free, you will be free indeed*” (**John 8:36**) reminding us that He came into the world to set us free from the power of sin and death that we cannot escape in any other way. And lastly, in his first letter to the Corinthians, St. Paul talks about our freedom, as Christians, in a different way (**I Corinthians 8:1-13**) as he speaks about Christians eating food that has been sacrificed to idols.

Corinth was a very unusual place in the time of St. Paul. Corinth was a major city where people came from all around the known world to sell their products. Corinth was, also, a place that was religiously diverse. There were hundreds of temples in Corinth, so that people who wanted to worship their god could easily do so. St. Paul even talked about the fact that the Greeks had built a temple to an unknown God (**Acts 17:23**) because they wanted to make sure that all of the bases were covered. And this created a big problem. Christians who wanted to eat meat did not know if the meat had been carved from an animal that had been sacrificed to another god just hours earlier. Early Christians struggled because they were trying to figure out what it means to be free in Christ while they also tried to be careful to avoid eating meat that had been offered to other gods.

St. Paul’s response to this dilemma was an interesting one. He reminded the Corinthians that he had been set free by Jesus, and that he could celebrate his independence by eating meat without worrying about where the meat originated. Imagine St. Paul simply eating a hamburger on July 4<sup>th</sup> without worrying about its source. Christians do that all the time even though people from other religious traditions would never do that.

Then St. Paul throws in a twist. He reminds the Corinthians that he is free in Christ to eat his July 4<sup>th</sup> hamburger; however, because he sees that doing that is causing other people around him to feel uncomfortable, he says, “I’m not going to do it.” In fact,

St. Paul writes: *“Take care that this right of yours does not somehow become a stumbling block for the weak. For if anyone sees you who have knowledge eating in an idol’s temple will he not be encouraged, if his conscience is weak, to eat food offered to idols?” (I Corinthians 8:9-10)* What St. Paul is saying is: “I have freedom and independence, but I need to be sensitive to others when I am exercising my personal rights and liberty.” St. Paul reminds us that personal freedom and liberty are wonderful things; however, as we live our live-in community with other people, we need to live in ways that are considerate and respectful of others. This is, also, an important part of good citizenship.

And so, as we celebrate our independence, liberty, and freedom on July 4<sup>th</sup>, let’s also remember the fact that we live in a diverse nation and that living well with each other is always built upon the foundation of respect and care for others. We have been set free from tyrannical government, but our nation is still built upon creating community with each other and caring for each other. We are free in Christ, and we live in a nation where we have many rights and personal freedoms to celebrate, but our Founders also realized that our nation can only be strong and healthy when we respect and care for one another.

- Holy Communion will be offered at each service moving forward – you can respectfully make your own decision to receive or pass on communion.

- Relaunching of the capital campaign for the outside drain pipe is in the beginning stages of the process.
  - Vote passed from congregational meeting on June 13<sup>th</sup>.

## Church Grounds Volunteers Needed

The church is looking for a new volunteer(s) to help maintain the church grounds & team. This includes the basic needs of planting flowers, watering and weeding. This will not include mowing of the grass, luckily that is already taken care of.

Thank You in Advance and Thank you to all who have weeded and helped out already!

If you or someone you know would be interested in helping, please contact the church office at [office@christsmurrysville.org](mailto:office@christsmurrysville.org) or 412-795-1212

## Make a Joyful Noise

Look for our pretty little coin cans to be making an appearance again in the entryway! We will be collecting loose coins the first weekend of the month moving forward, starting in July. If you're not aware, we donate the spare change to benefit Trinity Lutheran Church on the North Side of Pittsburgh. No amount is too big or too small. We thank you in advance for your generosity.

## **Donations for Domestic Violence Victims**

The Outreach Team will be working with the Blackburn Center as our next ministry partner. This organization advocates for the rights of all individuals to live free from domestic, sexual, and other forms of violence by eliminating the root causes of violence and providing for the well-being and safety of survivors and victims. Christ's Lutheran Church has supported Blackburn Center in the past and we are continuing that effort.

Blackburn Center has requested the following items:

- Kitchen towels and dishcloths
- Can openers
- Pillows
- Queen size sheets
- Body wash
- Hair conditioner
- Comforters
- Bath towels and hand towels
- Dinnerware sets
- Silverware sets
- Dish racks
- Laundry baskets

**All donated items must be new. Monetary donations will also be accepted.**

\*Blackburn Center also accepts small appliances. If you are interested in donating a new small appliance, please contact the church office for more information.

Items are being collected now through August 29th. Donations can be dropped off at Christ's Lutheran Church, in the designated bin in the entryway.

If you have any questions, please contact Christ's Lutheran Church Office.

**Have you been getting all of our emails?**

As you may know, our Church Council, along with Pastor Wayne, has been working diligently to stay in communication with our Members and Ministry Partners. Currently, our live Zoom service has been working well and we want to be sure that you are getting all our emails about these services. We also will be streaming live from YouTube, as well as resuming our 10 am Sunday Morning Worship Service.

## “God’s Work in the World – ON PURPOSE” *(a report on the 2021 SWPA Synod Assembly)*

Two weeks ago, I attended the virtual Southwestern PA Synod assembly. I have attended many Synod assemblies over the years and have always been inspired by the amazing work that we do in our congregations, in our Synod, and also as part of the ELCA.

This year was no exception! The theme was “on purpose” and I think that sums up the passion and steadfastness of our Lutheran body of believers. With so many obstacles in place this last year with the pandemic, I didn’t realize how determined we Lutherans were to help so many people in our own communities and throughout the world.

The daylong assembly was a day of storytelling. It was a day of sharing ideas. It was a day of prayer. Your contributions to Synod benevolence really DO make a difference. Here are just a few examples:

1. This spring, our Synod gave \$10,000 to the Northern Texas synod and Northern Louisiana synod when they had the power failure during a week of frigid temperatures.
2. Your contributions give financial assistance to new congregations in areas where they are badly needed.
3. Seminary students (future pastors and church leaders) can graduate without crushing debt thanks to scholarships from your contributions.  
*(I was a seminary student 40 years ago who benefitted from scholarship money. It changed my life!)*
4. During the pandemic, loans have been made to individual congregations who were struggling to meet expenses in this difficult time.
5. Your generosity helps the hungry worldwide (World Hunger Appeal) and makes possible the work of Lutheran Disaster Relief.
6. Right here in Pittsburgh, Berkeley Hills Lutheran Church, through “Big Dream Hunger Grants”, was able to provide 600 boxed meals on 8 Saturday nights this past year, to people who needed food assistance during the pandemic.

7. Our Synod will be sending out information about helping our partner Synod in Madagascar. They have had one of the worst droughts in history, and with COVID-19, they are suffering a disastrous food crisis.

These are just a few ways that we make a difference in the world.

Our church is a “Team of Teams” ...

Congregation + Synod + National Church + Worldwide Lutherans.

Together with congregations all over the world, we can do God’s work, purposefully making a difference in the lives of millions of people.

Let’s celebrate that! God’s work, our hands!

Respectfully submitted,  
Nancy Finke Sheehan

A huge heartfelt thank you for all that you’ve done and donated with your Thrivent dollars. We are currently looking into purchasing a new office computer for the church. This will be beyond helpful in keeping our church database organized, emails, bulletins and newsletters efficient and effective moving forward. Bless your generosity!
